RE: 1076-AF 18, Part 83 Revisions

Dear Ms Appel:

Please be so kind as to effect the changes as written below:

Add to Section 83.1 Definitions

1. Add after this existing paragraph the new paragraph immediately below it. The additional language is underscored:

Existing paragraph: "*Indian Group or Group* means any Indian or Alaska Native aggregation within the continental United States that the Secretary of the Interior does not acknowledge to be an Indian tribe."

Add this paragraph: Indian Group or Group also means the native Hawaiians collectively recognized as Indians through the 1921 Hawaiian Homes Commission Act as the nearest kinship group of indigenous survivors of the Nation of Hawaii.

2. Add after this other existing paragraph the new paragraph immediately below it. The other additional paragraph is also underscored:

Existing paragraph: "Indian Tribe, also referred to herein as Tribe, means any Indian or Alaskan Native tribe, band, pueblo, village or community within the continental United States that the Secretary of the Interior presently acknowledges to exist as an Indian tribe."

Add this paragraph: Indian Tribe, also referred to as Tribe, also means any native Hawaiian tribe, band, association, village, or community of the group of native Hawaiians collectively recognized as Indians through the 1921 Hawaiian Homes Commission Act who are occupying or leasing land in trust to the United States in the state of Hawaii.

Respectfully Submitted,

MAUI LOA, Chief Hou 1778 Hawaiians
